EQAVET4INCLUSION Multilingual Training Programmes

- We are delighted to announce that the Multilingual EQAVET4INCLUSION Training Curricula and Training materials for vocational school's staff are now ready!
- Our partnership is in the process of finalising the Evaluation Tool Validation Report and Training Programmes and Materials.

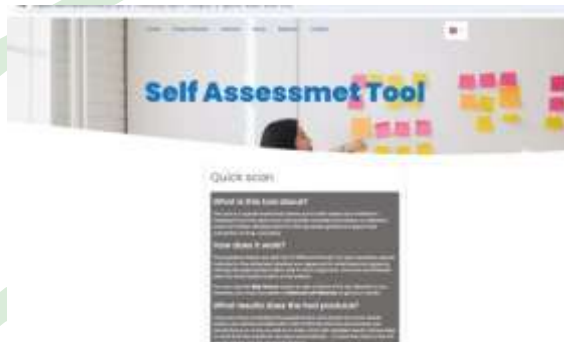

Curriculum and Training Materials

The Curriculum and training materials have been designed to meet the diverse needs of vocational school staff and students. These resources are now available on the project website and ready for implementation in educational programs.

Validation of the Assessment Tool and Training:

We have successfully completed the development and rigorous testing of assessment tools and training materials. These tools have been thoroughly evaluated to ensure their effectiveness and relevance to the vocational schools involved in our project.
